GAMEDAY AT FALCON STADIUM

After every Falcon score, the cadets, storm the field and do pushups for every Air Force point on the board (left).

After every game, the Falcons stand hand-in-hand in front of the cadet wing as the Drum and Bugle Corps plays the alma mater.

Prior to every service academy game, the “prisoners of war” are exchanged at midfield. The POWs are exchange cadets from the other academies who sit with their respective academies during the game.

GAMEDAY AT FALCON STADIUM

At the base of the Rampart Range of the Rocky Mountains, game day at Falcon Stadium is truly a remarkable experience. Pre-game fly-bys, the march-on, the Drum and Bugle Corps and the spirited cadet section make up the pageantry of Falcon Stadium.

COMMANDER-IN-CHIEF'S TROPHY

The seniors from the winning team in the battle for the Trophy make a trip to the White House for a ceremony with the President of the United States.

No other college or professional athletic team has visited the White House as often as the Air Force football team. The Falcons have made 21 trips to Washington, D.C., since 1982.

The Falcons have met President Ronald Reagan five times, President George H.W. Bush three times, President Bill Clinton six times, President George W. Bush twice, President Barack Obama three times, President Donald Trump once and President Joe Biden once.

The Commander-in-Chief's trophy was first awarded in 1972 when Richard M. Nixon was President of the United States. The trophy was the idea of Air Force general George B. Simler, the commander of Air Training Command and former Air Force Academy director of athletics. Simler felt it was important to ensure the Air Force games against Army and Navy were given even more meaning than other games played each season. The trophy is jointly sponsored by the alumni associations of all three academies. The design of the trophy consists of three silver footballs in a pyramid like arrangement, set on a circular base, with three arc-shaped sections cut out, one for each academy.

BRIAN BULLARD AWARD

Senior Bo Richter was a first-team all-Mountain West selection in 2023. He led the conference in tackles for loss (19.5) and was third in sacks (10.5). He was dominant in Air Force's 31-21 win over #24/25 James Madison in the Armed Forces Bowl, recording a program bowl record 4.5 tackles for loss, tying an Air Force bowl record with 3.0 sacks and recording four quarterback hurries and a forced fumble.

The Bullard Award is voted on by the team based on the criteria that typifies Brian Bullard - unselfishness, 110 percent effort, total team commitment and pride in his role on the team whether he's a starter or not.

A memorial is located in the Falcon Athletic Center so that every football player sees it every day. The memorial has Brian's picture and the name and photo of each year's winner.

A 1982 graduate of Air Academy High School in Colorado Springs, Brian attended the Academy the following year. After playing on the junior varsity his freshman year, he made the varsity and lettered as a sophomore in 1983.

During Thanksgiving vacation that year, Brian, a member of Cadet Squadron 27, and cadet Dianne Williams of Cameron, Mo., were returning from Kansas and were caught in a snow storm. The two died from carbon monoxide poisoning. Williams was a member of Cadet Squadron 33 and played on the women's varsity golf team.

The Brian Bullard award is presented annually at the Falcon football team banquet. Brian was the epitome of everything Air Force Football stands for. Brian's life is used not only for motivation, but as the benchmark each Falcon football player should strive to attain. The criteria established for the award were taken directly from the life of Brian Bullard.

The recipient of this prestigious award cares about the team first and himself second. He loves his team and his teammates and will do everything he can to make his brothers better. He is a source of encouragement for everyone and truly leads by example. He gives his all and truly enjoys every practice. He shows great pride in his role on the team and is a pleasure to coach. Though he played just two seasons with the football team, Brian left quite an impression.

FALCON STADIUM

A picturesque setting at the base of the Rampart Range of the Rocky Mountains and boasting some of the grandest pageantry in all of college football, Falcon Stadium is without a doubt one of the premier college football stadiums in America.

Sitting at 6,621 feet above sea level, the thin air has been kind to the Falcons. Air Force has won 63 percent of its home games in the stadium with a 213-120-4 all-time home record. Falcon Stadium's elevation is the second-highest of any Division I-A stadium in the nation. The stadium's current capacity is 46,692.

Falcon Stadium, built in a natural bowl in the foothills, was built in the fall of 1962 at a cost of \$3.5 million. Falcon Stadium opened on Sept. 22, 1962, when a then-overflow crowd of 41,350 saw Air Force defeat Colorado State, 24-0. AFA held a formal dedication on Oct. 20, 1962, when Air Force hosted Oregon. The Ducks won the game, 35-20. The stadium was originally built solely for football, but several non-athletic events, such as the Academy's annual graduation, are conducted there.

Since 1962, the stadium has seen several significant upgrades. In 1991, the Academy installed nine skyboxes and remodeled the existing press box. The facility currently seats 450 people indoors, along with 88 in the skyboxes. In addition to its game-day uses, the press box is also used by the athletic department as a banquet/meeting room.

Throughout the 1990's and early 2000's, the stadium's capacity was 52,480 but in 2005, the stadium's capacity was reduced to 46,692 (the current capacity). The removal of the bleachers on the east side greatly increased the fan experience with additional food and beverage vendors and more room to move around the stadium.

In 2002, the Academy added permanent lights. The cost of just under \$500,000 was at no expense to tax payers. The Air Force Academy Athletic Association picked up the tab. That same season, a school record crowd of 56,409 packed the stadium for a game against Notre Dame.

Prior to the 2016 season, two brand new scoreboards were installed, one in the north end zone and one in the south end zone. The video board in the south end zone was the largest in the Mountain West and among the service academies (at the time of installation). The board is over 2,500 square feet of HD video display (dimensions are 31-2 by 82-8) and includes a state-of-the-art audio system.

Prior to the 2018 season, the turf was replaced, the home locker room was completely renovated, along with new medical rooms, coaches room and media room.

In February 2019, Falcon Stadium hosted the NHL Stadium Series game between the Colorado Avalanche and the Los Angeles Kings in front of 43,500 fans.

In the summer of 2020, signs were installed on the concourse with famous air battles in the history of the Air Force and also those depicting our rich bowl history.

Construction began on the East Club began in the spring of 2023 and is scheduled to open prior to the 2024 season. The East Club will provide Air Force football fans the most exclusive experience in the history of Falcon Stadium.

The scenic backdrop, the game-day experience and the recent upgrades have ensured that Falcon Stadium is among the best venues in all of college football. The proof is in the ranking as CBS Sports (March 2011) ranked Falcon Stadium the 22nd best in college football, higher than any other Mountain West institution.

FALCONS IN THE NFL

Ben Garland (top) played in 68 NFL games with 15 starts over seven seasons in the NFL. A 2010 Academy graduate and defensive lineman for the Falcons, he was a member of the Broncos' practice squad in 2012 and 2013. In 2014, he played in eight games for the Denver Broncos as an offensive guard. He was on the Atlanta Falcons practice squad on 2015 and then played in 46 games for the Falcons, both on the offensive and defensive lines, in 2016, 2017 and 2018. In 2016, he played in both the NFC Championship game and Super Bowl LI. In the 2017 NFC playoffs, he recorded a sack and safety of Russell Wilson as the Falcons defeated the Seahawks. In 2019, he played in nine regular-season games for the 49ers. He started the final three regular-season games, and all three post-season games, at center. He played in five games at center for the 49ers in 2020 before an injury ended his season.

Garrett Griffin (middle), a 2016 USAFA graduate and tight end for the Falcons, was on the New Orleans Saints practice squad in 2016 and 2017. He played in three regular-season games in 2017 and two playoff games in 2018. In 2018, the tight end scored his first NFL touchdown with a six-yard reception in the NFC Championship game against the Rams. He spent the 2019 season on injured reserves and played in four games in 2020. In 2021, he played in 13 games and had four receptions for 39 yards. Griffin signed as a free agent with Detroit in the spring of 2022.

Trey Taylor (bottom), a 2023 USAFA grad, was a seventh-round pick of the Raiders 2024. Taylor won the Paycom Jim Thorpe Award as the nation's top defensive back in 2023, becoming only the second player to win one of college football's major awards. Taylor also won the Defender of the Nation Award for his efforts on and off the field. He was a first-team All-American by AFCA.

FALCONS IN THE NFL

Chad Hennings (top right), a 1988 graduate, spent more time in the NFL than any other former Falcon. After serving four years on active duty and 45 combat missions in the A-10 aircraft, he signed with the Dallas Cowboys in 1992. Hennings played nine seasons with the Cowboys from 1993-2000 and won three Super Bowl rings (1993, 1994 and 1996). He played in 119 career games, starting 72 on the defensive line, and had 216 tackles with 27.5 sacks, five forced fumbles, six fumble recoveries and a touchdown.

Bryce Fisher, (middle right) a 1999 Air Force Academy graduate, served two years of active duty in the Air Force and the remainder of his commitment was fulfilled in the reserves and national guard. Fisher was a seventh-round draft choice of the Buffalo Bills in the 1999 draft. He spent seven years in the league with Buffalo (1999-01), St. Louis (2002-04), Seattle (2005-07) and Tennessee (2007). In 2005, he became the third USAFA graduate to play in a Super Bowl as the Seahawks won the NFC Championship. He played in 90 career games and had 222 tackles, six forced fumbles and 26.5 sacks.

Chad Hall, (bottom right) a 2008 graduate, served two years on active duty and completed his commitment in the Air Force reserves. In two seasons with the Eagles in 2010 and 2011, the receiver played in 15 games with 14 catches for 135 yards and two touchdowns. Late in the 2012 season, Hall was signed by the San Francisco 49ers and was activated for the NFC Championship game and Super Bowl XLVII. In 2013, he played in nine games with the Kansas City Chiefs and had two receptions for 20 yards. After six seasons as an assistant coach with the Buffalo Bills, he is currently the wide receivers coach in Jacksonville. He played 24 career NFL games and had 16 receptions, 12 carries and two TDs.

Chris Gizzi (bottom left), a 1998 USAFA graduate, served two years of active duty in the Air Force and the remainder of his commitment was fulfilled in the reserves and national guard. A linebacker, Gizzi played in 23 games with the Packers from 2000-02. He had 19 tackles and a forced fumble. Following the September 11th tragedy in 2001, Gizzi led the Packers out of the locker room on Monday Night Football as he ran onto the field with the American flag held high.

Steve Russ (bottom second from right), a 1995 USAFA grad, was a seventh round pick of the Denver Broncos in 1995. A linebacker, he played in 24 games with six career tackles for the Denver Broncos over four seasons (1997-2000) and was part of two Super Bowl Championship teams (1997 and 1998).

Austin Cutting (bottom second from left), a 2019 USAFA grad, was a seventh-round pick of the Vikings in 2019, Cutting was the first long snapper ever drafted by the Vikings and the first Falcon drafted since 1998. He played in all 16 games as the long snapper for the Vikings in 2019 and in nine games in 2020.

FALCONS IN THE NFL

Many Falcons have competed in NFL camps over the past several years: Trey Taylor (Raiders, 2024), Jayden Goodwin (Broncos, 2024), Alec Mock (Broncos, 2024), Bo Richter (Vikings, 2024), Jon Lee Eldridge (49ers, 2024), Isaac Cochran (Broncos, 2023), Haaziq Daniels (Giants, 2023), Brad Roberts (Commanders, 2023), Zane Lewis (Jets, 2020, 2021, 2022), Parker Ferguson (Jets, 2021, 2022), Nolan Laufenberg (Broncos, 2021; Commanders, 2022), Jordan Jackson (Saints, 2022; Broncos 2023), Brandon Lewis (Titans, 2022), Lakota Wills (Saints, 2022), Tre' Bugg (Bears, 2022) and James Jones (Dolphins, 2022). Other Falcons who have competed in camps includes: George Silvanic (Rams, 2021), Jalen Robinette (Bills, Patriots, 2017) Weston Steelhammer (Philadelphia Eagles, 2017 and 2018), Sam Byers (Atlanta Falcons, 2017), Jacob Onyechi (Green Bay Packers, New Orleans Saints, 2017; Packers, 2018), Ryan Watson (Cardinals, 2017; Lions, 2018), Alex Hansen (Bears, 2016), Reggie Rembert (Bears, 2013), Connor Dietz (Bears, 2014), Alex Means (Panthers, 2014), Travis Dekker (Packers, 2009), Drew Fowler (Lions, Texans, 2008), Ben Miller (Browns and Eagles, 2002 and 2003), Matt Farmer (Jets, 1999) and Beau Morgan (Cowboys, 1997).

THE ACADEMY

2024 AIR FORCE FOOTBALL
MEDIA GUIDE

The United States Air Force Academy offers a four-year program of instruction and experience designed to educate, train and inspire men and women to become officers of character, motivated to lead the United States Air Force in service to our nation. Each cadet graduates with a bachelor of science degree and a commission as a second lieutenant in the Air Force.

Course of Study

Cadets are exposed to a balanced curriculum that provides the knowledge, skills and responsibilities essential to a career Air Force officer. The entire USAFA experience is integrated and mapped to achieve a set of desired outcomes in every graduate.

The core academic curriculum includes courses in basic sciences, engineering, social sciences and humanities. Cadets take additional elective courses to complete requirements for one of 31 major areas of study. About 50 percent of the cadets complete majors in science and engineering; the remainder graduate in the social sciences and humanities. Some of the most popular majors include management, aeronautical engineering, foreign area studies, history, behavioral science, civil engineering, astronautical engineering, electrical engineering and engineering mechanics.

Faculty Composition

The majority of the Academy's faculty members, more than 500 total, are Air Force officers. They are selected primarily from career-officer volunteers who have established outstanding records of performance and dedication. Each has at least a master's degree and more than 55 percent have doctorates or other terminal degrees in their field of study.

About 30 percent of the faculty are civilians who bring great depth of disciplinary and educational expertise and provide academic stability and continuity.

Faculty members are intensely focused on cadet learning as an integral part of their officer development. The Air Force Academy has been ranked No. 1 in the nation for the most accessible and involved faculty.

To provide greater contributions by a diverse faculty, the Academy has several distinguished visiting professors and endowed professors who serve one or more years. Officers from other services, as well as officers from allied countries are also members of the faculty. Distinguished civilian and military lecturers also share their expertise with the cadets during the academic year.

Athletic Program

The Academy's athletic program is designed to improve physical fitness, teach athletic skills and develop leadership qualities. To achieve its goals, the Academy offers some of the most extensive physical education, intramural sports and intercollegiate athletic programs in the nation. Cadets take at least three different physical education courses each year.

Military Education and Training

An air, space and cyberspace-oriented military education, training and leadership program begins with basic cadet training and continues throughout the four years. Seniors are responsible for the organizational leadership of the cadet wing, while juniors and

sophomores seek to develop team and interpersonal leadership and instructional skills. Cadets are projected into as many active leadership roles as possible to prepare them to be effective Air Force officers.

Fundamental concepts of military organization -- drill, ethics, honor, Air Force heritage and physical training -- are emphasized the first summer during basic cadet training. Freshmen then study the military role in United States society as well as the mission and organization of the Air Force. Sophomores receive instruction in communication skills and juniors study the combat and operational aspects of the Air Force.

The Academy offers courses in flying, navigation, soaring and parachuting, building from basic skills to instructor duties. Some cadets may fly light aircraft with the Cadet Flying Team.

Summer training for cadets is divided into three, three-week training periods. There are a variety of programs available and each cadet is required to complete two training periods each summer with leave during the other period. All new cadets take six weeks of basic cadet training in their first summer.

Combat survival training is a required three-week program during cadets' second summer. For other second-summer training periods, cadets have options such as working with Airmen in an operational unit at an Air Force installation, airborne parachute training, soaring or basic free-fall parachute training.

During their last two summers, all cadets are offered leadership training as supervisors or instructors in the summer programs listed above.

Extracurricular activities also are an integral part of the education program. The cadet ski club, drum and bugle corps, cadet chorale and forensics are a few of the programs available.

Nominations

Nominations to the Academy may be obtained through a congressional sponsor or by meeting eligibility criteria in other categories of competition established by law. For information on admission procedures, please visit:

History of The Academy

In 1948, a board of leading civilian and military educators was appointed to plan the curriculum for an academy that would meet the needs of the newly established Air Force. The board determined that Air Force requirements could not be met by expanding the other service academies and recommended an Air Force Academy be established without delay.

In 1949, then Secretary of the Air Force W. Stuart Symington appointed a commission to assist in selecting a site and on April 1, 1954, President Dwight D. Eisenhower authorized creation of the United States Air Force Academy. After considering 580 sites in 45 states, the commission narrowed the choice to three locations. The summer of 1954, Secretary of the Air Force Harold Talbott selected a site near Colorado Springs, Colo. Colorado contributed \$1 million toward purchase of the property.

In July 1955, the first Academy class entered interim facilities at Lowry Air Force Base, Denver, while construction began. It was sufficiently completed for occupancy by the cadet wing in late August 1958. Initial construction cost was \$142 million.

Women entered the Academy on June 28, 1976, as members of the class of 1980.

ACADEMY LEADERSHIP

Lt. Gen. Tony D. Bauernfeind is the Superintendent, U.S. Air Force Academy, Colorado Springs, Colo. He directs a four-year regimen of military training, academics, athletic and character development programs leading to a Bachelor of Science degree and a commission as a second lieutenant in the U.S. Air Force or U.S. Space Force.

Lt. Gen. Bauernfeind earned his commission from the U.S. Air Force Academy in 1991.

Earning his wings in 1992, he has flown more than 3,500 hours in the MC-130E, MC-130H and MQ-9 aircraft. He has commanded special operations forces at the squadron, group, wing and theater special operations command levels.

Prior to his current assignment, Lt. Gen. Bauernfeind is the Commander, Air Force Special Operations Command, Hurlburt Field, Florida. The command is the Air Force component of U.S. Special Operations Command. AFSOC provides Air Force special operations forces for worldwide deployment and assignment to unified combatant commanders. DIRECTOR OF ATHLETICS NATHAN PINE

Nathan Pine is in his seventh academic year as the director of athletics at the Air Force Academy after arriving in Colorado Springs in January of 2019. Pine came to Air Force from Holy Cross, where he led the Crusader program as the director of athletics from 2013 through 2018.

Since his arrival in 2019, Pine has ushered in a period of success unseen before at the Air Force Academy. In terms of comprehensive competitive excellence, in 2023-24 Air Force finished as the top service academy in the Learfield Director's Cup, the top program in the Mountain West Conference for the fourth straight year (only the fifth time in program history), and 76th nationally across all 350 Division I institutions. In 2023-24, individual and team highlights included an individual national championship in men's gymnastics, three conference titles, 14 player of the year honors (second most in program history), four coach of the year awards and the third straight year with a school-record 57 athletes earning All-America honors. The Falcons also completed a four-year run in football with a 40-12 overall record, the school's first appearance in the College Football Playoff poll and a fifth consecutive bowl win.

Air Force has also experienced record-breaking fundraising numbers each year since 2019, including new highs in both total number of donors and total dollars raised. This began with a full rebuild of the fundraising program into the Falcon Athletic Fund in the summer of 2019. Formerly known as the Falcon Pride Club, the Falcon Athletic Fund increased engagement, established published giving levels and donor benefits, professionalizing the development operation top to bottom. The Falcon Athletic Fund is responsible for generating private resources to provide margin of excellence support and a first-class athletic experience for more than 1,000 cadet-athletes across 27 intercollegiate sports.

Pine has also focused on working to grow the Air Force brand and increase national exposure for the Academy using the athletics platform. In February of 2020, Air Force hosted the 2020 NHL Stadium Series in Falcon Stadium to a sellout crowd of 43,500. The event had an ad value of \$14.32 million and a national publicity value 25 percent higher than a typical NHL game. The game also brought significant resources to the Academy for hosting and an estimated \$17.5 million to the local Colorado Springs economy. During his tenure, the Falcons have also extended their partnership with Nike to remain the exclusive apparel provider and grow brand awareness, while Air Force has also added industry leader Paciolan to the team for ticket solutions and its donor ecosystem along with Learfield Amplify for outbound ticket sales. The Falcons have also reached a multiyear agreement with Altitude Sports and Entertainment as a third-tier television rights holder to bring Falcon sporting events and coaches shows to more than 13 million homes in the greater Colorado region starting in 2022.

Pine has also overseen several important coaching hires and key extensions during his tenure. In 2020, Air Force announced the return of Joe Scott to the Academy to lead the men's basketball program. He also ensured continuity within the football program after the 2023 season by signing head coach Troy Calhoun to a multi-year extension through 2029. Other head coach additions have included Macey Donathan

in volleyball, Katarzyna Dabrowa in men's and women's fencing, Josh Loeser in men's gymnastics, Jennifer Green in women's gymnastics, Ryan Cole in men's and women's track and field, Laura Busby in women's soccer and Taylor Hollander in women's tennis. In addition, he oversaw the transition in women's basketball from Chris Gobrecht to long-time assistant Stacy McIntyre.

Facility improvements continue to be a constant area of focus and investment at Air Force and a number have been completed in the last four years. Athletics broke ground in 2023 on a long-awaited \$90 million Falcon Stadium renovation on the east side, which opened for the 2024 season which includes a new primary stadium entrance, premium seating options in the east club, updated event space, improved fan amenities for all seating on the east side and a celebration of the heritage of Falcon Stadium. The Cadet Field House has also seen extensive improvements in Clune Arena and the Cadet Ice Arena to include new video boards and ribbons, LED venue lighting and new restroom and concourse renovations. In addition, the hockey and indoor track areas received extensive branding projects and there will be a full track and field renovation in 2023. The baseball stadium has received new turf, outfield fence padding, as well as a new pitching area. The field was renamed Erdle Field and a \$15 million

fundraising campaign was announced in 2024 to provide 600-plus chairback seats, permanent concessions, restrooms and a new press box. The project will also see renovations to both dugouts, along with a new home clubhouse that will feature a locker room, nutrition station and training room.

Prior to Air Force, the Holy Cross athletic department saw unprecedented success during his time as the athletic director. The Crusader Athletics Fund more than doubled in four years and raised over \$2 Million during the 2017-2018 academic year. Holy Cross also received two of the largest gifts in the history of the College (\$32.5 million and \$20 million, respectively), directed toward athletics facility improvements. Construction on the \$95 million Luth Athletic Complex began in December of 2015 and was completed in the spring of 2018. Pine also orchestrated broader regional and national exposure for the college from television and marketing efforts, along with significant branding and alumni outreach.

Pine is also active at the national level and represents Air Force on the NCAA Men's Baseball Committee, prior to that he has served on the NCAA Division I FCS Football Committee, the NCAA Division I FCS Athletic Director's Association Executive Committee and NCAA Rifle Committee. He currently works at the league level with the other athletic directors and the conference office to maximize the student-athlete experience and generate additional exposure and revenue for the Mountain West Conference and Air Force. In addition, he has been appointed to the LEAD1 Association Board of Directors.

Pine joined Holy Cross after serving as the deputy director of athletics at the University of Maryland. Prior to his time at Maryland, Pine spent three years at the University of California at Berkeley, four years at the United States Military Academy, and five years at Oregon State University. A native of Eagle Point, Ore., Pine received his bachelor's degree in marketing and international business from Oregon State University, and a master's degree in education from the University of California at Berkeley. He and his wife, Stephanie, reside in Colorado Springs with their two dogs, Lola, and Scout.

ACADEMY ATHLETICS

Few schools in the country have an athletic program as extensive as the Air Force Academy's.

The goals of the athletic program are to enhance the physical conditioning of all cadets, to develop the physical skills necessary for officership, to teach leadership in a competitive environment and to build character. There are three subdivisions of the athletic program: intercollegiate athletics, intramurals and physical education.

The intercollegiate program has 17 men's and 10 women's NCAA-sanctioned teams, facing some of the top competition in the nation. Men's teams are football, baseball, basketball, ice hockey, cross-country, fencing, golf, gymnastics, indoor and outdoor track, lacrosse, rifle, soccer, swimming and diving, tennis, water polo and wrestling. The Academy fields women's teams in basketball, cross-country, fencing, gymnastics, rifle, indoor and outdoor track, swimming and diving, soccer, tennis and volleyball. In addition, the Academy sponsors two non-NCAA programs; boxing and cheerleading.

The majority of the Academy's men's and women's programs compete at the NCAA Division I level in the Mountain West Conference. The Falcons compete in this conference against teams from Boise State, Colorado State, Fresno State, Hawai'i (football only), Nevada, New Mexico, San Diego State, San Jose State, UNLV, Utah State and Wyoming. All sports also compete against non-conference opponents, including many nationally ranked teams.

The football team competes annually for the Commander-in-Chief's Trophy, which is emblematic of service academy football supremacy. The Falcons have won the trophy 21 times, which is more than any other academy.

The USAFA Cadet Field House is one of the most impressive buildings in the country. It's a modern, versatile structure with seemingly endless uses. The \$5.6 million building is five stories high and 396 feet by 426 feet, the size of three football fields laid side by side. The structure is divided into three areas--basketball arena, ice hockey arena and multipurpose area. The three sections have a combined seating capacity of more than 9,000.

Clune Arena seats 5,858. The Cadet Ice Rink has a seating capacity of 2,470, while the multipurpose area seats 1,000 fans for track and field competitions.

The \$4.1-million renovation to the Cadet Track Stadium, the outdoor home of the Air Force track and field team, was completed in the fall of 2011 and is one of the premier track and field facilities in the nation. The Holaday Athletic Center, a \$15.5 million completely donor funded indoor training facility, was completed in July 2011. The Cadet Fitness Center, a \$9.5 million, Military Construction project, home of the Air Force Academy's fencing practice facility and aerobics/weight lifting facility that contains a nearly 33-foot climbing wall, opened in May 2012.

AND CONSTRUCTION UPDATES

Sports audiences across the country have been intrigued and delighted by the aerobatics of the falcon, the flying mascot of the U.S. Air Force Academy -- one of only two schools with performing mascots in the National Collegiate Athletic Association. The falcon can attain velocities exceeding 200 miles per hour in swoops or dives, turn sharply and streak only inches above the ground, making it the fastest and one of the most maneuverable of all birds.

Trained and handled by cadet falconers, the birds soar and dive, sometimes zooming low over the heads of spectators. While their public flying performances are primarily limited to outdoor venues -- most often at football games and cadet wing parades -- the falcons appear at many other athletic contests in which cadet teams play.

Members of the Class of 1959, the first to enter the Academy, chose the falcon as the mascot of the cadet wing Sept. 25, 1955, feeling that it best characterized the combat role of the U.S. Air Force. They did not specify any particular species; thus, any falcon can serve as mascot. Some of the characteristics which led to its selection were speed, powerful and graceful flight, courage, keen eyesight, alertness, regal carriage and noble tradition. The falcon exemplified the qualities sought in Air Force Academy cadets: courage, intelligence, love of the wild sky, ferocity in attack, but gentle in repose, and discipline.

Experts once said falcons could not be trained to perform before huge crowds, that the birds would panic and flee. Since 1956, however, cadets have flown the birds at sporting events before thousands of cheering spectators. Six weeks or more and an average of 300 man-hours per bird are required to properly train a young falcon via operant conditioning. When a bird is in top condition, it is able to fly for more than an hour and make repeated stoops at the baited lure swung by the cadet falconer. Although they can be trained to perform, falcons are never totally domesticated and remain wild creatures with strong, individual and independent spirits.

On Oct. 5, 1955, a splendid peregrine was the first falcon presented to the cadet wing. It was named "Mach 1," referring to the speed of sound. Today, 12 to 15 falcons are kept in the mews (enclosures for trained hawks) north of the cadet area.

Current breeds of falcons at the Academy include several breeds which are native to North America, including prairie falcons, peregrine falcons, and the largest type of falcon, the gyrfalcon. The Academy recently added several gyr-saker hybrids and a gyr-peregrine hybrid to its ranks. Sakers are a strong and agile mid-to-large size breed of falcon, native to Eastern Europe and Asia. Sakers have been cross-bred with the larger gyrfalcons in recent years to produce a highly intelligent, agile and powerful breed of performing falcon, and have flown at

WHY THE FALCON?

Speed

Can attain velocities exceeding 200 miles per hour in stoops or dives on their prey.

Power

Powerful and graceful flight, with strong, deep wing beats; they maneuver with ease, grace and evident enjoyment.

Courage

Fearless and aggressive, falcons fiercely defend their nest and young against intruders. They have been known to unhesitatingly attack and kill prey more than twice their size.

Keen eyesight

About eight times sharper than man. Alertness, regal carriage and noble tradition.

the Academy since 2003.

In addition to flying performances, the falcons and cadet falconers visit dozens of schools, scouting groups, youth groups, airshows and other public events around the country, educating youth and adults alike on falconry, raptors, the Air Force and the Air Force Academy.

On June 8, 1996, the Association of Graduates purchased a female white-phase gyrfalcon from Mr. Dan Konkle in Sheridan, Wyo., and donated her to the Academy. The cadet wing named this new mascot Aurora - from Roman mythology, the goddess of the dawn. She is now the official mascot for the United States Air Force Academy and has become the center of attention for the Academy's Falcon Mascot Program. At a mere 40 days old, this majestic creature weighed four pounds. Glacier, our previous white-phase gyrfalcon Mascot from 1980-95, only weighed two pounds.

Although any falcon can serve as an Academy mascot, the white-phase gyrfalcon is native to Alaska, Canada, Greenland and the U.S.-Canadian border, and has always been the official mascot of the Air Force Academy. Gyrfalcons constitute only about five percent of the total number of falcons found in the United States. Of that five percent, only about 3-4 percent are true white-phase gyrfalcons.

Falconry is one of the extracurricular activities offered to cadets. There are usually 12 falconers, with four chosen from each new class at the end of the year to replace graduating seniors. The new falconers begin training in January under the leadership of experienced upperclassmen and the officer-in-charge. Without proper instruction, novices can physically harm the birds or adversely affect their training. Falconers' duties include daily checks of each bird's health and condition, training sessions during which the birds are fed a measured ration of meat, frequent cleaning of the mews and routine maintenance of equipment.

During performances, the birds fly to a lure, a rectangular-shaped leather pouch. The falconer whirls the lure in a circle on a 30-foot cord; the bird quickly learns to strike it in mid-air, carry it to the ground and dine on the food. As the bird stoops toward the lure in free flight, the lure is jerked aside, causing the falcon to fly up, circle and make another pass. This procedure is repeated several times before the bird is allowed to strike the lure in mid-air. The falcon per-

forms this task knowing that as soon as it catches the lure, it earns its meal for the day.

A small battery-powered transmitter and a bell are attached to each leg so that, should the bird not come to the lure as it had been trained, the cadet falconers will be able to follow and safely recover the falcon.

History of the Air Force Song

In 1938, Liberty magazine sponsored a contest for a spirited, enduring musical composition to become the official Army Air Corps song. Of 757 scores submitted, Robert Crawford's was selected by a committee of Air Force wives. The song was officially introduced at the Cleveland Air Races on September 2, 1939. Fittingly, Crawford sang it in its first public performance.

The first page of the score, which Crawford submitted to the selection committee in July 1939, was carried to the surface of the moon on July 30, 1971, aboard the Apollo 15 "Falcon" lunar module by Colonel David R. Scott and Lieutenant Colonel James B. Irwin. Interestingly, at the moment the "Falcon" blasted off the surface of the moon with Scott and Irwin on board, a rendition of the "Air Force Song" was broadcast to the world by Major Alfred M. Worden, who had a tape recorder aboard the "Endeavor" command module which was in orbit around the moon. Scott, Irwin and Worden comprised the first and only "All-Air Force" Apollo crew and arranged to take the page of sheet music with them as a tribute to Crawford and the United States Air Force.

Bridge Section: Toast to the Host

"A Toast to the Host" is part of the original Air Force Song. Many times this is sung as a separate piece. This is the verse which commemorates those who have fallen in the name of our service and our great country. This is the reason for the difference in melody and the reverent, reflective mood. The words to the third verse were changed in 2020 to reflect representation of all kinds.

After every football game, the Drum and Bugle Corps plays "A Toast to the Host" as the football team gathers together on the field, joins hands and stands at attention.

by Robert Crawford courtesy USAF Heritage of America Band

Off we go into the wild blue yonder,
Climbing high into the sun;
Here they come zooming to meet our thunder,
At 'em boys, Give 'er the gun! (Give 'er the gun now!)
Down we dive, spouting our flame from under,
Off with one helluva roar!
We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

Additional verses:

Minds of men fashioned a crate of thunder,
Sent it high into the blue;
Hands of men blasted the world asunder;
How they lived God only knew! (God only knew then!)
Souls of men dreaming of skies to conquer
Gave us wings, ever to soar!
With scouts before And bombers galore. Hey!
Nothing'll stop the U.S. Air Force!

Bridge: "A Toast to the Host"

Here's a toast to the host
Of those who love the vastness of the sky,
To a friend we send a message of the brace who serve on high.
We drink to those who gave their all of old,
Then down we roar to score the rainbow's pot of gold.
A toast to the host of those we boast, the U.S. Air Force!

Off we go into the wild sky yonder,
Keep the wings level and true;
If you'd live to be a grey-haired wonder
Keep the nose out of the blue! (Out of the blue, boy!)
Flying men, guarding the nation's border,
We'll be there, followed by more!
In echelon we carry on. Hey!
Nothing'll stop the U.S. Air Force!

Nothing is more indicative of the pageantry of Air Force football than the Wings of Blue.

The U.S. Air Force Academy parachute team, the Wings of Blue, has been one of the outstanding parachute units in the country for more than two decades. Since 1967, cadets have dominated national intercollegiate parachuting championships, typically winning decisively over 40 other schools which field about 125 of the nation's top college competitors. Additionally, they perform about 50 demonstrations each year for millions of spectators. That doesn't include jumping into Falcon Stadium before the start of every football game, weather permitting.

The Wings of Blue, because of their diverse mission, are divided into a demonstration team and a competition team. Advising and supervising the team is a cadre of active duty and reserve Air Force commissioned and non-commissioned officers. The team jumps from a variety of aircraft. However, the team primarily uses its own DeHavilland UV-18B Twin Otters. Each cadet member must be a qualified jump-master and instructor in the Air Force Academy parachuting program.

They must also maintain high academic and military standards to remain with the team. Members of the team average 600 jumps by the time they graduate.

The primary mission of the parachute team is not competing or performing, it's to train other cadets in free-fall parachuting.

Each year, over 1,000 cadets complete five free-fall jumps in the basic free fall parachuting course and earn the coveted parachutist badge and rating. The Academy is the only school in the Air Force authorized to grant these awards and is the only school in the U.S. authorized to allow students to perform unassisted free-fall delays on their first jump, without any prior static line training.

The basic free-fall program is the premier character development program at the Academy and is available to all cadets. It is designed to develop courage, confidence and discipline in each student and provide leadership experiences for the cadet instructors who teach the course.

It is a rigorous training schedule with heavy emphasis on safety. Before cadets make their first jump, they are drilled repeat-

edly in ground school on proper parachuting procedures. The repetition is intended to have the jumper respond automatically and correctly should something unexpected occur during the jump.

Cadets who successfully complete the basic free fall course are then eligible to take the advanced training necessary to tryout for the Wings of Blue. Those who want advanced training must compete for admission. Selection is based upon an individual's maturity, abilities, academic and military standing.

From its uncertain beginnings, when it was reserved for stuntmen, rugged paratroopers and desperate pilots, parachuting has evolved into an exacting science and demanding sport -- a sport dominated at the college level by the Air Force Academy.

The Flight of Sound

The complete experience in sight and sound is presented at every home Falcon football game by the "Flight of Sound," the U.S. Air Force Academy Cadet Drum and Bugle Corps.

Since 1948, the Air Force Drum and Bugle Corps has entertained audiences across the nation and abroad with their thrilling performances. The Corps, originally assigned to Bolling Air Force Base, Washington, D.C., was transferred to the Air Force Academy in 1963 and turned over to the Cadet Wing in 1972. Since then, the corps has won 16 of the 24 Interservice Academy Drum and Bugle Corps competitions and are the four-time defending champions. The competition is held annually during the Air Force vs. Navy football weekend.

Recognized as one of America's premier musical and marching units, the Corps exemplifies the precision and musical blend of a well-directed band or orchestra and the showmanship of a Broadway production. Performing on the average of 150 times a year, they have become known as the Academy's ambassadors of precision drill and musical pageantry.

The Corps' primary mission is to support the Cadet Wing activities, including military formations and Academy athletic contests both home and away. An extension of the mission continues in the community with concerts, field exhibitions, band festivals and various military ceremonies.

The "D & B" Corps is comprised of 135 cadets and has represented the Air Force Academy at Presidential Inaugural Parades, Macy's Thanksgiving Day Parades, The Tournament of Roses Parade, Mardi Gras Parades, The Festival of State in St. Petersburg, Fla., Walt Disney World's International Music Festival and The Long's Peak Scottish/Irish Festival.

The purpose of the United States Air Force Academy is to develop young people of strong character who graduate and serve as outstanding leaders on active duty and beyond. It's a purpose Troy Calhoun, who enters his 18th season, thoroughly respects, and realizes is necessary for our country. Calhoun left the Houston Texans of the NFL as an offensive coordinator in 2007 to embrace the mission of the Air Force Academy and to build a service academy program that often earns a postseason bid while playing in one of college football's best conferences.

Air Force student-athletes must complete the nation's most demanding academic curriculum while further embedding the heart and character that are crucial for serving the nation. Cadets at the Academy must work through courses that require finishing over 140 semester hours. Strong character traits, to include respect, teamwork, courage, spirit, discipline, honesty and toughness, are the bedrock of the leadership qualities Air Force football players utilize while serving as officers in the United States Air Force.

Calhoun's players are extraordinarily successful finishing their academic and leadership responsibilities. The Air Force football team's NCAA APR (Academic Progress Report) is annually amongst the finest at the FBS level of college football. From May 2008 through the present, Air Force Football's multi-year APR has finished above the nation's 90th percentile 13 of the last 16 years. In addition to being one of the nation's best in regard to the NCAA's APR, as astounding 99 percent of seniors who have played for Calhoun since 2007 have graduated from the Academy and served as officers for our nation.

Calhoun and his staff have come up with a way to manage the varied demands of their players and lead them into a cohesive team that has fared quite well both on and off the field in his 17 seasons as head coach. He has guided the Falcons to a service academy record 13 bowl games, including a program-record six straight from 2007-12. Calhoun is the first coach in the 100-plus year history of service academy football to lead teams to a post-season bid in his first six years. He's also the all-time service academy leader in bowl championships with eight (2009 Armed

Forces, 2010 Independence, 2014 Idaho Potato, 2016 Arizona, 2019 Cheez-It, 2021 First Responder, 2022 Armed Forces and 2023 Armed Forces).

In 17 years he has a 130-82 career record. Calhoun, who won his 100th game during the 2020 season, has led the program to 12 winning seasons, including an 11-win season (2019), four 10-win seasons (2014, 2016, 2021, 2022), three nine-win seasons (2007, 2010, 2023) and three with eight wins (2008, 2009, 2015). The Falcons have won two Mountain West Mountain Division titles (2015, 2021) and played in the championship game in 2015. Air Force is 40-12 during the last four non-COVID seasons. During this stretch, Calhoun remains one of just four head coaches with their current program to win 40-plus games, joining Dabe Swinney of Clemson, Kirby Smart of Georgia and Ohio State's Ryan Day. Air Force's astounding 2019-23 run of full seasons is the only time in service academy has posted four-straight nine-win seasons in the history of service academy football. The Falcons are 23-9 in Mountain West play over the same period and have won a division title and finished second twice.

Air Force was 9-4 last season and won a re-

cord 16th bowl championship, defeating No. 24/25 James Madison in the Armed Forces Bowl, the program's fifth-straight bowl win. The Falcons led the nation in fewest penalties per game (3.0) and fewest penalty yards per game (24.77). Both low penalty marks were school records. The program led the nation in passing yards per completion (20.09) and finished second in passing yards per attempt (10.52). Air Force was second in the nation in rushing (281.5). Defensively the Falcons were strong in several categories, finishing fifth in fewest first downs allowed (191), sixth in total defense (277.7) and sixth in rushing defense (90.8). The Falcons appeared in the national rankings in the regular season for the first time since 2010. Air Force was ranked 25th in the initial College Football Playoff poll, earning the program's first-ever ranking.

Air Force was 10-3 in 2022 and won a record 21st Commander-in-Chief's Trophy title and defeated Baylor to win the Armed Forces Bowl. The Baylor victory marks the fourth consecutive bowl win and third straight over a Power 5 program. The Falcons won a program-record six national statistical titles in 2022, including a third straight rushing title with a 326.7 average. The program finished the season with the top-ranked total defense for the first time in program history, allowing just 254.4 yards per game. The Falcons are just the second non-Power 5 team in the last 31 years to win the national title in total defense. Air Force won the title for fewest penalty yards per game (29.69), time of possession for the second straight season (36:33) and in yards per completion (22.3). Senior fullback Brad Roberts became the first Falcon to win the national title in rushing yards with a school-record 1,728.

The Falcons were 10-3 overall and tied for the Mountain Division title with a 6-2 record in 2021. The Falcons capped the 2021 season

HEAD COACH TROY CALHOUN

with another bowl championship with a 31-28 win over Louisville. Air Force capped a historic 2019 season with a 31-21 win over Washington State in the Cheez-It Bowl. The win gave Air Force an 11-2 overall record. The 11 wins are the most this century. The Falcons closed the season with an eight-game winning streak, the program's longest in one season since 1998. The eight-game streak trailed only national champion LSU's 16-game streak. Air Force finished second in the Mountain West Mountain Division with a 7-1 mark, the best MW record in program history and tied for the most conference wins all-time.

Under Calhoun's guidance, the 2016 team finished 10-3 overall, posting just the sixth 10-win season in school history and second under Calhoun. Air Force won the Commander-in-Chief's Trophy for the 20th time and also won an Arizona Bowl championship.

Air Force won the Mountain Division championship in 2015 and earned a bid to the Armed Forces Bowl, while extending its school record home winning streak to 12 games, posting a 6-0 home mark for the second straight year. Calhoun was named the 2015 National Football Foundation, Colorado chapter, coach of the year for his efforts.

Calhoun's 2014 team finished 10-3 overall. Calhoun was named as a finalist for the Maxwell National Coach of the Year. The Falcons qualified for their seventh bowl game in eight years, and by winning the Famous Idaho Potato Bowl, captured their third bowl championship since 2009. Air Force defeated Army and Navy to win its 19th Commander-in-Chief's Trophy and its third CINC title in the last five years. The Falcons were also one of just two teams nationally to beat two 10-win teams in the regular season. The Falcons beat

Boise State and in-state rival Colorado State, who each won 10-plus games. Air Force's 10-win season was the first this century for the Academy. The team finished 6-0 at home for just the third time in school history. Calhoun's 2007 squad also finished 6-0 at home.

Air Force earned a bid in 2012 to the Armed Forces Bowl. Air Force won its second straight Commander-in-Chief's Trophy in 2011, the first back-to-back titles at the Academy since 2001-02 and earned their fifth straight bowl game in the Military Bowl. The 2010 Air Force team finished 9-4 overall and won Air Force's 17th Commander-in-Chief's Trophy championship with wins over Army and Navy. The Falcons closed the 2010 season with a victory over Georgia Tech of the ACC in the Independence Bowl. Calhoun was named Coach of the Year by the Colorado Chapter of the National Football Foundation.

The 2009 Air Force team finished 8-5 overall and concluded with a convincing 47-20 win over 25th-ranked Houston in the Bell Helicopter Armed Forces Bowl. Air Force set 13 Academy bowl team records in the dominant victory. Calhoun was named Coach of the Year by the Colorado Chapter of the National Football Foundation for his efforts.

Calhoun's 2007 and 2008 Air Force teams finished 9-4 and 8-5, respectively, and both earned bowl bids. The 2007 Falcons were the only team in Air Force history to win road games at Notre Dame, Utah and Colorado State in the same season. The five-game turnaround from 2006, in which Air Force was 4-8, was the largest in the nation that season by a first-year head coach. The five-game turnaround was the best in school history since the 1958 team had a school-record turnaround of six games.

Air Force's nine wins tied Calhoun for the most wins ever at a service academy by a first-year head coach, matching the mark set by Ben Martin in 1958. Calhoun was named the Mountain West Conference's Coach of the Year for his efforts. In addition, he was named Coach of the Year in Region 5 by the American Football Coaches Association and was one of eight finalists for the Eddie Robinson National Coach of the Year Award. He was also one of seven finalists for the AFCA National Coach of the Year award.

Calhoun brought to Air Force a wealth of experience at the collegiate and professional levels that was flooded with success at every stop prior to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year. On offense, the Texans had the NFL's leading receiver (Pro Bowler Andre Johnson with 103 catches), the NFL's best quarterback completion percentage (68.4 percent) and their quarterback tied a NFL record against Buffalo with 22 straight completions.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving on the defensive side of the ball in 2003. He helped coach the NFL's fourth-best defense. The Broncos' defense ranked seventh against the run and sixth against the pass. Denver's defense yielded a mere 17.6 points per game as they made the playoffs for the first time since 2000.

In 2004, Calhoun moved to become an assistant on offense and worked with the special teams. The offense ranked fifth in the NFL, averaging 395.8 yards per game. Calhoun

worked closely with Broncos head coach Mike Shanahan in the 2005 season, serving as the assistant to the head coach. The Broncos won the AFC West title for the 10th time in their history and played for the AFC Championship game for the first time in seven seasons. Their 14-4 record was the best since Denver finished the 1998 season as winners of Super Bowl XXXIII. The offense finished fifth in the NFL averaging 360.4 yards per game. The defense was stout against the run, finishing second in the NFL with 85.2 yards per game. Denver finished with an undefeated record at home during the regular season for the fifth time in team history. During Calhoun's three years in Denver, the Broncos made the playoffs every season, averaging over 11 wins a year.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team.

Calhoun served his country from 1989-95 as an active-duty officer in the Air Force. He was an assistant coach for the Falcons in 1993-94. He moved to Ohio University in the spring of 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. The Bobcats defeated Maryland in 1997, marking the school's first win against a team from the ACC in school history. The '97 Bobcats' 8-3 record was the school's best in 29 years. During his last season at Ohio in 2000, the Bobcats beat two bowl teams, Minnesota and Marshall, for the first time in school history. Calhoun's 2000 offense set a school record with 418.1 yards per game.

Calhoun moved to Wake Forest in 2001. The Demon Deacons were one of only seven teams in the country in 2001 to score more than 30 points in each of the final four games. During his second season in 2002 Wake led

the ACC in total offense with 408.1 yards per game. His offense had a league-best 990 plays and was efficient with the ball, committing only 16 turnovers, fewest in the ACC. The 2001 season culminated with a 38-17 bowl victory over Oregon to give Wake Forest its first back-to-back winning seasons since the ACC expanded from eight teams.

Calhoun was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally-ranked teams. Calhoun's younger sister, Callie, is a 1991 Academy graduate. She was a 10-time track and cross country All-American who won six NCAA national titles. Troy Calhoun graduated from the Academy in 1989 as a member of the superintendent's list by earning over a 3.0 grade point average along with a military performance average of better than 3.0. He also completed a master's in business administration (MBA) from Oklahoma City University in 1992. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (22) and Amelia (20). Calhoun and his wife, Amanda, have a strong respect and affinity for the members of our armed services and are very involved with numerous charitable and community endeavors.

ASSISTANT COACHES

MARC BACOTE

Tight Ends | 3rd Year

17th Career Year

Alma Mater: James Madison, 2001

Hometown: Hampton, VA

Marc Bacote is in his third season as tight ends coach at Air Force. He has overseen the development of Caleb Rillos, who helped the offensive line power the way for the Falcons to three-straight national rushing titles from 2020-22. Rillos recorded eight catches for 97 yards last season, averaging 12.1 yards per catch.

Bacote came to the Academy after spending two years at Hampton, where the team was first in the conference in total offense and second in third-down conversions. Bacote coached first-team all-Big South receiver Jadakis Bonds.

Bacote was co-offensive coordinator, receivers and quarterback coach at Howard in 2019, prior to his stint at Hampton, where he coached receiver Kyle Anthony, a third team All-MEAC selection.

He spent two seasons as the wide receivers coach at Richmond from 2017-18. Bacote led the Spider's receiving corps in 2017 that accounted for over 3,000-yards receiving. He led three wide receivers to all-Colonial Athletic Association honors in 2017, Dejon Brissett, Cortrelle Simpson and Tyler Wilkins. All three were ranked in the top four in the Colonial Athletic Association (CAA) in receiving yards,

the top six in receptions and the top seven in receiving touchdowns.

His Hampton squad finished first in the MEAC in total defense in 2015 and third in total defense in 2016. He coached third-team all-MEAC selection Brenden Cole in 2016.

Bacote served his first stint at Hampton after spending a season at the Apprentice School, where he served as defensive coordinator in 2014. Under Bacote's tutelage, the Apprentice School improved in several defensive categories, including points per game allowed, total yards per game allowed, third down efficiency, and redzone defense. From 2011-13, Bacote coached cornerbacks at Old Dominion, including 2011 second-team all-CAA selection Eriq Lewis. ODU made the FCS playoffs with Bacote on-staff in 2011 and 2012, including the CAA's top record in 2012, before the Monarchs began the transition to FBS in 2013.

In 2010-11, Bacote worked at Rutgers as a quality control coach, where he worked with the team's wide receivers and defensive line. While at Rutgers, Bacote coached two future NFL players in Mohamed Sanu and Tim Wright. From 2008-09, Bacote coached wide receivers at Morehead State.

His first coaching job came in 2008, when Bacote served as a volunteer assistant at James Madison, working with the Dukes' wide receivers.

Bacote was a wide receiver at James Madison for four

ASSISTANT COACHES

JAKE CAMPBELL

Slot Backs | 13th Year

18th Career Year

Alma Mater: Air Force, 1996

Hometown: Sacramento, CA

Jake Campbell is in his 13th season at Air Force and sixth as the slot backs coach. Campbell returned to his alma mater after four years at Claremont-Mudd-Scripps where he was offensive coordinator and quarterbacks coach in 2011. He coached running backs his first three seasons.

Campbell has been instrumental in the development of running backs Jacobi Owens, who rushed for 1,000 or more yards in back-to-back seasons and finished his career with over 3,000 yards rushing, and Tim McVey, who finished among the school's all-time bests in rushing and receiving yards per touch and kickoff return average. McVey became the first player in school history to have over 100 yards rushing and receiving in the same game which he did vs. New Mexico in 2014. In addition, he mentored Kadin Remsberg, who rushed for 1,000-plus yards in 2019 while being named offensive most valuable player in the Cheez-It Bowl. Remsberg finished his career ranked 16th in program history with 1,779 yards.

Campbell has been instrumental in the development of Brandon Lewis and Ben Waters. Lewis led the Falcons in receiving in 2022 with 30 catches for 600 yards and three touchdowns. His 30.0 yards per reception average

set a school record. Lewis had five catches for a school-bowl-record 172 yards in the First Responder Bowl victory over Louisville. He had touchdown catches of 64 and 61 yards, the third and fourth most ever in a bowl game for a Falcon. Waters recorded 22 catches for 658 yards and five touchdowns in 2019. His 29.9 yards per reception was a school record prior to Lewis' mark.

Campbell is a 1996 graduate of the Air Force Academy. His on-field accomplishments and highlights as a running back make him one of the best to ever play the position at the Academy. He captained the 1995 team that won one of the Academy's three Western Athletic Conference (WAC) championships in its history. Campbell's efforts land him in the top 10 in several areas of the Falcon record book. He is currently fifth all-time in yards per carry for a season, fifth all-time for a career. He is also seventh all-time for yards per reception for

a season and fourth in career touchdown receptions. He put together back-to-back 1,000 plus all-purpose yards his junior and senior years as a running back, receiver and kick returner. Campbell was later named to the Colorado Springs Gazette Telegraph's Air Force all-decade team of the 1990's.

Prior to joining the CMS football staff, Campbell served 10 years as an officer in the Air Force, reaching the rank of major. Campbell amassed over 1,000 flying hours as a pilot in the T-37, T-1A, and C-9A airframes. He

flew the first stateside C-9A aircraft to deploy overseas in support of military operations in Kosovo. Campbell finished his military career as a contract negotiator. He was responsible for leading negotiating teams with Fortune 500 companies in contracts worth well over \$400 million to deploy the widely known and frequently used Global Positioning System (GPS).

Campbell spent one season at the Air Force Academy Prep School as an assistant football coach. His responsibilities were coaching the running backs and quarterbacks, as well as the offensive play-calling duties. While at the Prep School, he helped develop numerous eventual Falcon football stars such as Scott McKay, Qualario Brown, Nate Beard and Chris Jessup. Campbell was also a math instructor and taught calculus.

Campbell was also a Nike/SPARQ trainer and the lead running back coach for the Nike Football Training Camps held throughout the country. He has worked with some of the best athletes in the country, many who have gone on to professional and Division I careers.

Originally from North Highlands, a neighborhood in Sacramento, Calif., Campbell was a four-sport starter in high school. He lettered in football, basketball, baseball and track. Campbell was also an assistant coach for the two-time defending conference champion CMS Athena softball team. Campbell is married to the former Bonnie Anderson. The couple has a two-year-old daughter, Cora. He also has a son, Brayden.

DEONTE GIBSON

Defensive Ends | 1st Year

6th Career Year

Alma Mater: Northwestern, 2017

Deonte Gibson enters his first year as defensive ends coach at Air Force. Gibson comes to the Academy from Youngstown State, where he spent two seasons as defensive line coach. In 2023, he was tabbed YSU's Defensive Run Game Coordinator.

The Guins had a great amount of success in 2023 winning eight games and advancing to the FCS Playoffs for the first time in seven seasons. The experience the defensive line featured made a big impact in the Guins' postseason run.

The defense held nine opponents to 111-or-fewer yards rushing in a game throughout the year and four times YSU held an opponent to under 155 yards passing in a game. Overall, the unit allowed just 102.2 yards rushing per game. The lowest per game total since 2012 and the second lowest since 1998 and ranked 10th in the FCS in rushing defense (102.2 ypg).

On seven occasions, the Guins held opponents to three-or-less third-down conversions and held Indiana State to no conversions on 10 tries. The Guins held Southern Illinois and Duquesne to under 100 yards passing.

Leading the defensive line was Dylan Wudke who was named second-team All-MVFC as well as defensive tackle Chris Fitzgerald. Fitzgerald led the unit with 36 total tackles and was one of four players on the team with five sacks. Wudke had five sacks and 34 stops in his final season. Fitzgerald, Wudke and Anthony Johnson started all 13 games while Andres Lehrmann started the first 11 with Hunter Allen starting the final two. Also finishing with five sacks were Johnson and Devin

Lee while Allen, Deamontae Diggs and Dawan Martin had four sacks each.

In May 2022, he received an NFL Bill Walsh Diversity Coaching Fellowship and worked with the Cleveland Browns during their offseason organized team activities in Berea under standout defensive coordinator Jim Schwartz.

The YSU defensive line was one of top units in the Missouri Valley Football Conference in 2022. The Guins had three All-MVFC selections as Wudke (second team), James Jackson (honorable mention) and Fitzgerald (honorable mention) each earned conference honors.

Wudke finished the season third on the team with 43 tackles, including 12 TFLs and five sacks. Fitzgerald was seventh on the team with 36 tackles, including 6.5 TFLs while Jackson had 17 tackles, 5.5 TFLs and four sacks. Other key playmakers up front on a deep and talented unit included Lehrmann (three sacks), Diggs, Johnson, Michael Voitus (three sacks), Allen (three sacks), Jaelen Crider (three sacks), Martin and Lee.

Entering the year, the roster had combined for 10 sacks in their YSU careers. In 2022, the group had an eye-popping 29 sacks while Jackson added a team-best six QB hur-

ries. Other noteworthy improvements in a year's time included points allowed per game (ranked fourth in the MVFC at 25.4), rush yardage defense (ranked third in the conference at 120.2), total defense (ranked fifth in the conference at 354.1) and tackles for loss (first in the conference at 74).

Gibson spent two campaigns at Akron serving as the outside linebackers and defensive ends coach for the Zips before joining

A 2015 graduate of Northwestern University, he worked as the defensive graduate assistant at his alma mater in 2017 and 2018, helping the Wildcats to the Big Ten West Division title and two bowl appearances for Pat Fitzgerald.

A four-year letter winner for Northwestern (2011-16), Gibson was a third-team All-Big Ten selection and a three-time Academic All-Big Ten pick. He served as a team captain as a senior and finished ranked seventh on NU's all-time sacks list. ASSISTANT COACHES

TIM HORTON

**RBs/Special Teams Coord. | 11th Year
35th Career Year**

Alma Mater: Arkansas, 1990

Hometown: Conway, AR

Tim Horton is in his fourth season as running backs coach and special teams coordinator at Air Force. Horton returned to the Academy in 2021 after coaching wide receivers and running backs under legendary Air Force head coach Fisher DeBerry from 1999-2005.

In Horton's three seasons with the Falcons, the offense led the nation in rushing in 2021 with a 327.7 average and in 2022 with a 326.7 norm. In 2023, the Falcons were second in the nation in rushing. Air Force has won 29 games and three bowl games over Louisville, Baylor and James Madison since his return.

The kicking game has flourished with kicker Matthew Dapore, a Lou Groza Award National Placekicker of the Year semifinalist, and punter Carson Bay.

Horton came to the Academy after spending the previous two years as running backs coach at Vanderbilt. Horton has a wealth of experience in the Southeastern Conference, coaching for over a decade as an offensive assistant at Auburn and Arkansas. During that time, he coached five SEC Players of the Year and nine all-conference running backs.

In 2019, Horton's top Vanderbilt pupil Ke'Shawn Vaughn topped the Commodore

offense with 1,298 all-purpose yards. Vaughn went on to be selected by the Tampa Buccaneers with the 76th overall pick of the NFL Draft.

From 2013-18, Horton served as Auburn's running backs coach. He also served as the Tigers' recruiting co-ordinator in 2015-16 and special teams coordinator in 2017.

From 2013-18, Horton coached four running backs that paced the SEC in rushing: Heisman Trophy finalist Tre Mason (2013), Cameron Artis-Payne (2014), Kamryn Pettway (2016) and Kerryon Johnson (2017). Mason and Johnson both earned SEC Offensive Player of the Year honors during Horton's tenure.

In 2013, Auburn became the first and only SEC team to lead the nation in rushing. In 2017, Horton coordinated special teams for the Tigers and coached kicker Daniel Carlson, who

was the SEC's special teams player of the year. Horton became the only assistant in league history to coach the SEC offensive and special teams players of the year in the same season.

From 2007-12, Horton served a similar capacity at the Arkansas where he starred as an undergraduate in the late 1980s. At Arkansas, where he was also recruiting coordinator, Horton was one of just two coaches in the nation to coach four different 1,000-yard rushers from 2007-10, including 2007 Doak Walker Award winner Darren McFadden and All-American Felix Jones.

Prior to coaching at Arkansas, Horton spent the 2006 season as the running backs coach at Kansas State and was the wide receivers and running backs coach at Air Force from 1999-2005. The Falcons led the nation in rushing in 2002. He began his coaching career at Appalachian State in 1990, helping the program to a 67-32 record during eight seasons, including Southern Conference championships in 1991 and 1995 and five NCAA Division I-AA playoff appearances.

Horton was a four-year letterwinner at Arkansas, starting as a split end and punt returner from 1987-89. As a senior captain, Horton earned second-team All-SWC honors. During Horton's Arkansas playing career, the Razorbacks compiled a 38-11 record, won back-to-back SWC titles (1988-89) and appeared in four straight bowl games. His senior class is the winningest in program history. In 2019, Horton was inducted into the inaugural Conway, Ark., High School Wampus Cat Hall of Fame and in 2021, he was inducted into the Arkansas Sports Hall of Fame.

Horton and his wife, Lauren, are the parents of a daughter, Caroline, and a son, Jackson.

CHARLIE JACKSON

Asst. Head Coach/DBs | 3rd Year

24th Career Year

Alma Mater: Air Force, 2000

Hometown: Vienna, GA

Charlie Charlie Jackson enters his third year at Air Force as assistant head coach and defensive backs coach. Jackson's first two years have been highly successful, as he coached Trey Taylor to first-team All-American honors, as well as the becoming the 2023 Jim Thorpe Award winner. The defensive unit as a whole has ranked in the nation's top six both years.

He came to the Academy from Kentucky State, where he served as head coach the prior three seasons. Jackson garnered national recognition for his total rebuild and overhaul of the Kentucky State program. He is the winningest (percentage) head football coach at Kentucky State since 1945, with a minimum 20 games. Jackson arrived at Kentucky State with the football program in the midst of an abysmal downward spiral that culminated in a 0-10 season in 2018. He took over a program on a 12-game losing streak and a record of 1-16 in the previous 17 games.

In Jackson's first year leading the program, the team's win total improved by seven games, the highest total win improvement in the country. His team posted victories over multiple Division I opponents for the first time in school history, and his team's 70 percent winning percentage (7-3) was the program's best in 41 years. After not competing in 2020 due to COVID-19, the next season produced more winning and the team's 14-win improvement over two seasons ranked No. 1. Jackson's team set university records for points in an away game (76), points in a home game (63), total yards in a game (746), rush yards in a game (662), Division 1 victories, most players with a 3.0 GPA (35), and many more.

Jackson was just as successful off the field. He created a program known as MaxOut Foundation - A plan of action for collegiate student-athletes: helping people, positively impacting society, and leading by example. MaxOut Foundation has been recognized throughout Kentucky and nationally for its efforts to develop well-rounded student-athletes. It has been lauded for teaching citizenship and increasing sense of belonging while broadening perspectives and asking student-athletes to consider the roles of military service, social programs, economic growth, infrastructure, and education with regard to community building. Included in MaxOut Foundation's many development and community engagement initiatives are team activities at Thomson-Hood Veterans Center, a Veterans

facility providing nursing care/rehabilitation for Kentucky Veterans, former POWs, and wounded Veterans.

Jackson was defensive assistant/defensive backs coach with the Atlanta Falcons of the National Football League (NFL) prior to Kentucky State. With the Atlanta Falcons, the defensive unit ranked NFL Top 10 in scoring defense (eighth) and total defense (ninth) for the first time in 20 years. The Atlanta defensive unit finished fifth in red zone defense and ninth in rushing defense. Atlanta defensive back, Keanu Neal, was selected to his first Pro Bowl, and defensive back, Damontae Kazee, tied for the NFL lead with 7 interceptions. Jackson served on the NCAA Headquarters Enforcement staff before joining the Atlanta Falcons. He was the NCAA's football liaison to the Southeastern Conference (SEC) and Mountain West Conference (MWC). His background also includes multiple defensive coaching roles with the Green Bay Packers and Denver Broncos, along with coaching fellowships with the Atlanta Falcons and St. Louis Rams. Additionally, he served as a college scout for the Seattle Seahawks organization. With the Green Bay Packers, the defensive unit ranked seventh in the NFL in total defense and ranked first in passing defense - the organization's best in 27 years. During his time as a college scout with the Seattle Seahawks, the organization drafted future NFL All-Pro players Richard Sherman, Bobby Wagner, Russell Wilson, and more. Jackson has collegiate experience at Colorado, UCLA, Utah State, Buffalo, and Air Force. Jackson was a defensive assistant and junior varsity coach at the Academy in 2004.

Jackson is a 2000 graduate of the Air Force Academy, where he earned a bachelor's degree in management. He later earned a master's degree in management and sports studies from California State Long Beach. Jackson was a three-year letterman in football and also participated in indoor track and field. Following his senior football season, Jackson was selected by his teammates as a permanent team captain and recipient of Air Force foot-

25th Career Year

Alma Mater: Air Force, 1986

Hometown: Lenexa, KS

Brian Knorr enters his third year as defensive coordinator and fourth year linebacker coach. He coached outside linebackers in 2019 and spurs in 2018. This is Knorr's third stint with the Air Force football program. His first year as defensive coordinator in 2022 was highly successful, as the Falcons had one of the nation's top defenses. Air Force was first in total defense (254.4), second in passing defense (159.1) and third in scoring defense (13.4). The 13.4 points per game average is the sixth best in program history and best since 1997. The Falcons held 12 of 13 opponents under 21 points last season and have held 22 of 26 under 21 points the last two seasons. The group was nearly as dominant last year, ranking sixth in total defense (277.7), sixth in rushing defense (90.8) and 12th in scoring defense (18.2)

Knorr returned to the Academy from Arizona, where he served as the special teams coordinator and coached the STUD position, a hybrid defensive end and linebacker role.

Knorr has over 25 years of collegiate coaching experience that includes four seasons as the head coach at Ohio University, along with six seasons of defensive coordinator responsibilities at Ohio, Wake Forest and Indiana. Prior to his stint as Arizona, Knorr spent the 2016 season as a quality control assistant at Ohio State.

Prior to the one-year stint at Ohio State, Knorr was the defensive coordinator at Indiana during the 2014-15 seasons, where he tutored

the defensive ends and outside linebackers. In his first season, the Hoosiers made significant improvements in scoring defense (+6.0), rushing yardage (+55.1) and total yardage per game (+94.1), as well as third down conversion percentage (+10.4), sacks (+3) and tackles for loss (+13). His second season helped Indiana to a bowl berth and a six-win season for the first time in seven years.

Before his two-year stay at Indiana, Knorr served in several coaching roles at Wake Forest over six seasons. In 2008, he joined the Demon Deacons staff as wide receivers coach where he worked on the offensive side of the ball for three years, then switched sides to become co-defensive coordinator and inside linebackers coach in 2011. He was named defensive coordinator in 2012, while he continued to coach the inside linebackers, then oversaw the outside linebackers in his final season of 2013.

As the defensive coordinator at Wake Forest, the Demon Deacons produced some staunch numbers. In 2013, Wake Forest allowed only 24.1 points per game (38th nationally), 143.2 rushing yards (34th), 223.0 passing yards and 366.2 total yards (32nd) per game. A year prior, Knorr's system produced 23 turnovers to rank second in the ACC with 12 forced fumbles. In conference games, Wake Forest ranked in the top half of the conference in eight of the 12 major defensive categories.

Knorr made the second stop of his coaching career at Air Force, his alma mater, for three seasons from 2005-07. He was initially hired to coach outside linebackers and strong safeties for two seasons, then was named assistant head coach and mentored the inside linebackers in 2007.

Prior to his return to Air Force, Knorr put together a 10-year tenure at Ohio University highlighted by four seasons as the program's head coach from 2001-04 as he became the first Air Force Academy graduate to be named a head football coach at the Division I level. Previously, he was the Bobcats' defensive

The Bobcats' defense ranked in the top five in the Mid-American Conference in scoring, rushing and total defense every year in his time as coordinator, and five players earned all-conference accolades. Additionally, Knorr oversaw Ohio's special teams, including in 2001 when the Bobcats led the NCAA in punting. He is one of seven players overall coached by Knorr to go on to professional careers.

Knorr began his coaching career at the Academy, serving as assistant offensive line coach, head junior varsity coach and administrative assistant to the head coach from 1992-94. He joined the Falcons following five years as a captain on active duty, stationed at Wright-Patterson Air Force Base in Dayton, Ohio.

As a three-year letterman, Knorr quarterbacked Air Force to three bowl appearances. He served as a team captain his senior season.

Knorr received a bachelor's degree in management from the Air Force Academy in 1986 and an M.B.A. from Dayton in 1991. He and his wife, Julie, have a daughter, Katie, and twins, Reagan (daughter) and Brett (son).

KEN LAMENDOLA

Inside Linebackers | 3rd Year
11th Career Year
Alma Mater: Air Force, 2011
Hometown: Westlake, OH

Ken Lamendola enters his third year as inside linebackers coach at Air Force. Lamendola has had an immediate impact, helping to lead a defense that ranked No. 1 nationally in total defense (254.5), second in passing defense (159.1), third in scoring defense (13.4) and sixth in rushing defense (95.3). The 13.4 points per game average is the sixth best in program history and best since 1997.

The group was nearly as dominant last year, ranking sixth in total defense (277.7), sixth in rushing defense (90.8) and 12th in scoring defense (18.2). The inside linebackers corps was highly successful, Alec Mock who led the Falcons in tackles with 93. He was the 16th highest graded linebacker nationally by Pro Football Focus and was the conference defensive player of the week for the Sam Houston game. Johnathan Youngblood was second with 85 stops and tied for the team lead in interceptions with three. He was a first-team all-conference honoree by Pro Football Focus.

In 2022, TD Blackmon was second on the team in tackles with 68 and tackles for loss with 9.5 for 55 yards. Blackmon was an honorable mention all-conference selection and ranked as the sixth highest-graded linebacker in the nation by Pro Football Focus.

Lamendola came to the Academy from Furman, where he spent five years as the Paladins' inside linebackers coach and three

as recruiting coordinator.

In his first year on staff, Lamendola was forced to manage early season-ending injuries to three senior starters — a task he accomplished in solid fashion by overseeing the development of a pair of Southern Conference All-Freshman Team performers, including Elijah McKoy, who finished the season with 81 tackles on the Paladins' 8-5 squad that advanced to the FCS playoffs, and Reynard Ellis, who was on the Jerry Rice Award watch list.

In 2018, he helped first-year starter Donovan Perryman play a key role in the squad's strong stretch run that saw the Paladins register five wins over their final six games to claim a share of the program's 14th SoCon championship.

In 2019, freshman inside linebacker Braden Gilby fashioned an impactful first season, earning SoCon All-Freshman honors and was a Phil Steele Freshman All-American team member while helping Furman to an 8-5 campaign, an at-large berth to the FCS playoffs, and AFCA No. 19 final national ranking. This past season, freshman linebacker Nicky Kuzemka earned SoCon all-conference honors.

The quality work Lamendola has turned in with his players on the field has been mirrored by the stellar recruiting effort he has directed the last two years. Furman's 2019 class was rated 16th nationally while the 2020 class was second nationally.

Lamendola came to Furman from Air Force Academy Preparatory School, where he coached inside linebackers for two seasons from 2015-17.

Lamendola's playing career spanned five seasons (2007-11) and was highlighted by a sophomore campaign that saw him rack up 118 tackles and earn honorable mention All-Mountain West Conference honors as an inside linebacker before injuries curtailed his playing time.

The Westlake, Ohio, product totaled 24 tackles before a season-ending knee injury as the 2009 Air Force squad defeated 25th-ranked

Houston, 45-20, to win the Armed Forces Bowl. The next year he was a member of a Falcons' squad that went 9-4 and beat Georgia Tech, 14-7, in the Independence Bowl, and in 2011 he served as team captain in helping Air Force capture the Commander-in-Chief's Trophy, which is awarded annually based on head-to-head results among the three service academies.

Lamendola is a December 2011 graduate of the Academy, where he earned a bachelor's in management. He has completed graduate level studies in United States Air Force Fundamentals of Acquisition Management at Wright-Patterson Air Force Base in Dayton, Ohio, and holds a master's degree in human resources from the University of Oklahoma.

He served one year as a program manager for Air Force One in the Very Important Person Special Air Mission (VIPSAM) and Special Duty Division at Tinker Air Force Base in Oklahoma. An 18-month stint as executive officer in the VIPSAM Special Duty Division followed before he was assigned program manager duties in the E-4B Commercial Derivative Aircraft Division in Sept. of 2014. Among his many tasks there were enabling critical decision making capability to the Secretary of Defense and the National Airborne Operations Center for the \$150 million/year E-4B fleet and spearheading a \$400 million-dollar Low Frequency Transmit System replacement.

STEED LOBOTZKE

Offensive Line | 10th Year
29th Career Year
Alma Mater: Air Force, 1992
Hometown: Roseville, CA

Steed Lobotzke enters his 10th year at Air Force and eighth as the offensive line coach. Lobotzke coached tight ends his first two years at the Academy.

His work with the offensive line has been impressive. The offensive line has helped Air Force to three straight national rushing titles from 2020-22. Air Force became only the second program to lead the nation three consecutive years and first since 2008. Air Force finished second last season with a 281.5 average and center Thor Paglialong was a first-team all-Mountain West selection while tackle Adam Karas was a second-team honoree.

The Falcons averaged 326.7 yards per game in 2022 and the offensive line was a semifinalist for the Joe Moore Award, given annually to the top unit in the nation. The offensive line went wire-to-wire leading the nation setting a record of 15 consecutive weeks in the top spot. Air Force also led the nation in time of possession for the second straight year with a 36:33 mark.

The Falcons averaged 327.7 yards per game in 2021 and led the nation for a then-program-record 10 consecutive weeks. The line became the first Group of 5 squad to become a finalist for the Joe Moore Award. The line, nicknamed The Diesel, was outstanding all season, as the unit had eight different starting lineups, including three different centers. Air Force also led the nation in time of possession with a 36:35 mark.

Air Force earned the national rushing title in 2020 with a 305.7 per-game average. The Falcons won their fourth straight conference

rushing title. The group allowed just two quarterback sacks to lead the Mountain West and rank third nationally. The Falcons led the conference and ranked 17th nationally in time of possession with a 32:30 mark while producing five 100-yard rushing games in 2020.

Lobotzke coached senior Isaac Cochran, a second-team Walter Camp All-America selection and first-team all-conference honoree. Cochran is just the fifth Walter Camp All-America selection in program history and he is the first Air Force offensive lineman to earn first or second-team All-American honors since 1982. Lobotzke's first season at the Academy as tight ends coach saw tight end Garrett Griffin develop into a free-agent signee by the New Orleans Saints.

Lobotzke came to the Academy after spending the 2014 season at Winston-Salem State where the Rams made a trip to the CIAA Championship. He spearheaded the Ram offense that recorded eight-straight 400-plus yard games and Winston-Salem State ended the year with a No. 10 national ranking.

Prior to WSSU, Lobotzke spent 13 years at Wake Forest, including 11 seasons as the Deacons' offensive coordinator and offensive line coach. He also coached the running backs, tight ends and fullbacks. During his tenure, the Wake Forest offense broke many school and ACC records.

In 2012, junior wide receiver Michael Campanaro caught 7.9 passes per game, which led the ACC and was the second-best mark in ACC history. His 79 receptions in 2012 were the fourth-highest single-season mark for a Wake Forest player and were achieved despite the fact that he missed almost three games with an injury. Campanaro's 16 catches against Boston College set an ACC single-game record.

The 2011 team came within a field goal of playing for the ACC championship and went to the Music City Bowl. The squad scored 338 points - third-best in Wake Forest history - and only had 12 turnovers, which was the lowest total in school history and the best in the ACC that season.

In 2006, Wake Forest won 11 games and the ACC Championship. The offense produced 4,298 yards, the third-highest total in school history, and put up Wake Forest's fourth-best scoring season with 302 points. Wake Forest also ranked sixth in the nation in fewest turnovers. Freshman quarterback Riley Skinner was named ACC Rookie of the Year after leading the ACC in pass efficiency (139.6) and breaking the Wake Forest record for completion percentage (65.8 percent). On November 13, 2006, Lobotzke was chosen as the Master Football Coaches MCS Nike Offensive Coordinator of the Week after Wake Forest defeated Florida State 30-0 in Tallahassee.

Lobotzke went to Wake Forest along with head coach Jim Grobe after serving under Grobe the previous four years at Ohio University as the centers and guards coach. In his four seasons at Ohio, the offensive line paved the way for four of the top five rushing seasons in school history.

Lobotzke's ties with Grobe go back to their days at the Air Force Academy when Grobe personally recruited him. The northern California native attended the Academy and lettered on the football team in 1990-1991, playing on the offensive line. As a player, Lobotzke helped lead Air Force to three Liberty Bowl appearances. He earned second-team All-Western Athletic Conference honors as a junior and was named to the first team as a senior before being invited to play in the East-West Shrine Football Classic.

After graduating from the Academy in 1992 with a degree in economics, Lobotzke began his coaching career at his alma mater. MATT MCGETTIGAN

**Strength and Conditioning | 18th Year
38th Career Year**

Alma Mater: Luther College, 1987

Hometown: Darlington, WI

Matt McGettigan is in his 18th season as the strength and conditioning coach for the Falcon football team.

Widely considered one of the best in the country, McGettigan helped transform the Falcon program. Prior to his coming to the Academy, the Falcons had posted a 12-24 record over the second half of the season from 2001-06. Since his arrival, the Falcons have won over 75 percent of their games over the second half of the season. Air Force is 20-7 the last three seasons over the last half of the season, including five straight bowl wins, including three straight over Power 5 programs. In addition to being in better physical shape, the Falcons have seen fewer significant injuries.

McGettigan has played a key factor in some of the more remarkable physical accomplishments since coming to the Academy. All-American fullback Brad Roberts played 30 career games, never missing one due to injury. Roberts set the program record for ca-

reer carries with 707, while posting the two-highest carry seasons in Air Force history. He rushed for 1,352 yards on 298 carries in 2021, then topped both marks with school records of 345 carries for 1,728 yards last season.

His work with 2007 All-American Chad Hall, a 5-foot-8, 185-pound do-everything runner who averaged over 32 touches per game over the last seven weeks of the 2007 season, is also impressive. Hall went on the play in the National Football League for several seasons.

McGettigan also helped develop Ben Garland, who played nine seasons in the NFL, most recently for the San Francisco 49ers. Garland was a defensive lineman in college and has

played both offense and defense in the NFL. Garland has been a part of three Super Bowl teams, including the 54th edition with San Francisco. McGettigan worked close with long snapper Austin Cutting, who was a rookie with the Minnesota Vikings in 2019. He was the team's starting long snapper for two seasons.

McGettigan received the ultimate affirmation of excellence when he earned recognition as the 2001 National Collegiate Strength and Conditioning Coach of the Year by the Professional Football Strength and Conditioning Coaches Society. The award underscored the respect McGettigan

McGettigan completed his undergraduate work in physical education at Luther College in Decorah, Iowa, in 1987, where he was a three-year starter on the football team. He is a member of the National Strength and Conditioning Association. In January 1989, McGettigan received his certification as strength and conditioning specialist. Alma Mater: Air Force, 2001

Hometown: Modesto, CA

Mike Thiessen is in his 18th season as an assistant coach at the Academy. This season is his 11th as the solo offensive coordinator after four years of sharing the duties, and his eighth as the quarterback coach. Thiessen is the longest tenured offensive coordinator in the nation.

As offensive coordinator, Thiessen has led a unit over the last 10 years that has been in the top four of the nation in rushing each year, averaged 30-plus points per game, been in the top three nationally in passing yards per completion and among the top 10 in third-down percentage. This has been one of the most productive offensive eras in Academy history. The Falcons won three straight national rushing titles, becoming just the second program to win three titles and first since 2008. The Falcons have been the only team to average 300-plus nationally in three of the last four seasons. The Falcons led the nation in time of possession in 2021 with a 36:35 and again in 2022 with a 36:33 average. Thiessen received national recognition in 2021 as a Broyles Award candidate for assistant coach of the year.

He guided quarterback Zac Larrier to an outstanding 2023 campaign in his first year as a starter. Larrier was a Davey O'Brien National Quarterback Award Class of 2023 member, one of 35 nationally. He tied the program record for most wins to start a career with eight and finished the season with the second-best quarterback efficiency rating in program history (187.10).

He guided quarterback Haaziq Daniels to one of the most successful careers in program history. Daniels finished his career ranked fifth in quarterback winning percentage (71.0), second in wins (22), ninth in total offense (4,176), third in efficiency rating (152.80) third in average gain per completion (20.1) and third in interception avoidance (.033). Daniels was selected as the game's most valuable player in the bowl wins over Louisville in the First Responder Bowl in 2021 and Baylor in the Armed Forces Bowl in 2022.

Thiessen also helped quarterbacks Karson Roberts and Arion Worthman to bowl most valuable player honors. Roberts finished his senior campaign leading the team to a Mountain West division championship while Worthman finished the 2017 season in the top 10 in the conference in four categories. As receivers coach, Thiessen was instrumental in the development of Jalen Robinette, who finished his career as the all-time leading receiver in school history with 120 catches for 2,697 yards and 18 touchdowns. He was also a key contributor in the development of All-American Chad Hall, the conference offensive player of the year in 2007. Hall caught 50 passes, the sixth most in school history,

for 524 yards, while rushing for 1,478 yards, which ranks second all-time in school history. Hall played six seasons in the NFL and earned a Super Bowl appearance with the San Francisco 49ers.

Toth has been highly successful, as he coached Trey Taylor to first-team All-American honors, as well as the becoming the 2023 Jim Thorpe Award winner. The defensive unit as a whole has ranked in the nation's top six both years.

Toth helped the defensive unit to a national title in total defense with a 254.4 average in 2022. The defense also ranked second in passing defense (159.1), third in scoring defense (13.4) and sixth in rushing defense (95.3). Toth spent three years (2018-20) with the UCF football program as special teams coordinator. He brought his unique energy to the special team's unit for the 2018 season, helping the Knights complete their second straight undefeated regular season en route to winning another American Athletic Conference Championship and a berth in the 2019 Fiesta Bowl. UCF rose to as high as seventh in both the Associated Press Top-25 and the Amway poll of coaches. UCF then added a 10-3 campaign in 2019 to qualify for a program-record fourth consecutive postseason appearance and won the 2019 Bad Boy Mowers Gasparilla Bowl.

UCF's special teams played an integral role in the team's success in 2018, blocking a pair of field goals and inducing four other misses. Placekicker Matthew Wright was named second-team all-conference in the AAC after connecting on 85.7 percent of his field goal attempts (15th in the nation). He also notched 110 total points, third most in a single season in UCF history.

Thomas was a finalist for the Jim Thorpe Award, won the CFPA Defensive Back Trophy and was the Mountain West Defensive Player of the Year after leading the nation with eight interceptions.

After having only nine turnovers gained in 2011, the year before Toth's hiring, Fresno State came back in 2012 and recorded the greatest turnover turnaround in the Football Bowl Subdivision since the turn of the century. Finishing with 35 takeaways in 2012 (ranking fifth in the FBS), the Bulldogs' differential in turnovers gained in one season under Toth was plus-26.

His 2013 defense ranked sixth in the FBS with more than three sacks per game and 40 for the season and also ranked fourth with 8.2 tackles for loss per game. Over the 2012 and 2013 seasons, Fresno State and Stanford were the only schools in the country that ranked in the top 10 in sacks both years.

Toth coached at Texas A&M where he was the outside linebackers coach while also serving as the Aggies' special teams coordinator in 2010 and 2011.

In his first season in College Station, Toth oversaw the development of linebacker Von Miller, who captured the prestigious Butkus Award during an All-America campaign in 2010. He served as the deployment officer of the 552nd Air Control Wing at Tinker Air Force Base, Okla., from May 2019 to March 2021. He was responsible for the planning and execution of the wing deployments and training exercises.

Prior to that assignment, Pearson served as a flight commander at the 49th logistics readiness squadron at Holloman Air Force Base, New Mexico, from July 2016 to July May 2019, where he was responsible for ensuring the receipt, storage and issue of aircraft assets and jet fuel totaling \$94 million. He deployed with Special Operations Joint Task Force between assignments.

Pearson began his Air Force career as a graduate assistant coach at the Academy from May 2015 to July 2016. He helped the Falcons to the 2015 Armed Forces Bowl and a Mountain West Championship appearance while on staff.

Pearson is a 2015 graduate of the Academy, where he was a three-year letterman. He was the team captain as a senior in 2014 and won the coveted Brian Bullard Memorial Award, the highest honor a football player at Air Force can earn that year. Pearson helped the Falcons to a 10-3 season, the Commander-In-Chief's Trophy, and a 2014 Famous Idaho Potato Bowl Championship.

Pearson and his wife, Caitie, have two children, Keegan (5) and Bannon (2).

The award is given to the top defensive back in college football based on performance on the field, athletic ability and character. Taylor received the 2023 honor on behalf of Oklahoma Sports Hall of Fame and presenting sponsor Paycom.

Taylor is the first-ever Thorpe Award recipient from Air Force and only the second Falcon to win a major college football award, joining Chad Hennings, 1987 Outland Trophy recipient. Taylor led overall ballots as a 47% first place vote favorite with an average rank winning by only .12 to the runner-up in the nationwide voting.

Taylor posted an overall Pro Football Focus grade of 82.6 and was credited with allowing just 18 receptions on 31 targets for an average of 10.1 yards per reception.

Oklahoma Sports Hall of Fame and Paycom will honor Taylor at the 38th Anniversary of the Paycom Jim Thorpe Award Banquet and recognize the 2nd Annual Aeneas Williams Award Winner in Oklahoma City on Feb. 6, 2024.

The 54-yard run is the longest by a Falcon in a bowl game since Shayne Davern had a 55-yarder vs. Western Michigan in the 2014 Idaho Potato Bowl. Michel tied an Air Force bowl game record with two rushing touchdowns, the 16th time in program history it's been done and first time since Brad Roberts last year. MOUNTAIN WEST

2024 AIR FORCE FOOTBALL
MEDIA GUIDE

History of the Mountain West

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I-A intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were longtime members as well. UNLV and TCU entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. TCU re-joined the group with its first year of competition in the Mountain West in 2005-06. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada on July 1, 2012. Also on July 1, 2012, the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members. On July 1, 2014, the Colorado College women's soccer program became the first non-football affiliate member of the Mountain West, expanding that sport to 12 Conference participants.

When the Mountain West officially began operations on July 1, 1999, the new league had in place a seven-year contract with ESPN, giving the broadcast entity exclusive national television rights to MW football and men's basketball, and three-year agreements to send the league's football champion to the Liberty Bowl and a second team to the Las Vegas Bowl. Commissioner Thompson also arranged a third bowl tie-in each of the first three seasons (1999 Motor City, 2000 Silicon Valley, 2001 New Orleans) before securing a four-year deal with the Emerald Bowl in San Francisco in 2002.

Entering the 2021 season, the MW has nine (9) postseason opportunities, including a spot in a New Year's Six Bowl (highest ranked non-autonomous 5 champion), six (6) primary bowl positions with the Jimmy Kimmel Los Angeles Bowl, Arizona Bowl, Famous Idaho Potato Bowl, New Mexico Bowl, SoFi Hawai'i Bowl and an ESPN Events-operated bowl, likely to be held in the Dallas-Fort Worth Metroplex - and two (2) secondary positions.

An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in seven inaugural bowl games (2000 Silicon Valley, 2001 New Orleans, 2002 San Francisco (Emerald), 2005 Poinsettia, 2006 New Mexico, 2015 Arizona, 2015 Cure), as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.

CONSENSUS ALL-AMERICANS

Air Force has had five consensus All-Americans in school history. Offensive lineman Brock Strom (top left) was the first in 1958. In 1970, wide receiver Ernie Jennings (top center) earned the honor. Safety Scott Thomas (top right) was the next consensus All-American in 1985.

Two years later, defensive tackle Chad Hennings joined the list. In 1992, cornerback Carlton McDonald became AFA's most recent consensus All-American.

COLLEGE FOOTBALL HALL OF FAME

Four former Falcons have reached the pinnacle of their sport by getting inducted into the College Football Hall of Fame.

Brock Strom, a 1959 Academy graduate, was inducted into the Hall of Fame in 1985. Strom was a consensus All-American in 1958 and the captain of Air Force's only undefeated team in school history. He played an instrumental role in the 1958 team that finished 9-0-2 and played in the Cotton Bowl.

Chad Hennings, a 1988 Academy graduate, was inducted into the Hall of Fame in 2006. A unanimous first-team All-America selection in 1987, Hennings received the Outland Trophy as the nation's top interior lineman. A two-time first-team all-conference selection, he is a member of the Western Athletic Conference all-time team and was named WAC defensive player of the decade for the 1980s. He is a two-time first-team Academic All-American and is also a member of the Academic All-America Hall of Fame. Although he was drafted by the Dallas Cowboys in the 1988 NFL Draft, Hennings fulfilled a four-year military commitment, serving during the first Gulf War. In 1992, he rejoined the Cowboys and embarked on a nine-year NFL career that brought him three Super Bowl titles.

Long-time coach Fisher DeBerry was inducted in 2011, the first year he was eligible to be on the ballot. DeBerry served as head coach at Air Force for a brilliant 23-year career which concluded with his retirement on Dec. 15, 2006. He led 17 of his 23 teams to winning records and 12 captured a bowl bid, posting a 6-6 record. His career record of 169-109-1 is the best in school history in terms of games won and winning percentage. He coached the Falcons to three conference championships. The team won a share of the Western Athletic Conference championship in 1985, his second season, and again in 1995. In 1998, DeBerry guided the team to its first outright title with the WAC Mountain Division championship and a win over Brigham Young in the title game in Las Vegas. He was named WAC Coach of the Year for the third time in his career. The 1998 team's 12-1 record completed the first back-to-back 10-win seasons in school history following a 10-3 campaign the previous year. The 1998 squad finished the season ranked 10th nationally. His Falcons dominated the Commander-in-Chief's Trophy series with archrivals Army and Navy. Air Force won the trophy 14 times and shared it once in DeBerry's tenure. He compiled a remarkable 35-11 record against the Black Knights and Midshipmen and is the winningest coach in service academy history.

Scott Thomas, a 1986 graduate, joined the group as part of the class of 2012. Thomas was a consensus All-American in 1985 while leading the Falcons to a school-best 12-1 record, a No. 5 national ranking and victory over Texas in the Bluebonnet Bowl. He led the team in interceptions with six that season and became just the seventh player in NCAA history at the time to have a kickoff, punt and interception return for a touchdown in the same season.

Former Air Force coach, L.T. "Buck" Shaw was inducted into the Hall of Fame in 1972. Shaw coached the Falcons in 1956 and 1957. Shaw is most known for his seven stellar seasons at Santa Clara, but also coached at North Carolina State, Nevada and California, as well as two stops in the NFL with San Francisco and Philadelphia.
